TRIUMPH®

2001

A full-page photograph of a motorcycle rider in a black leather racing suit with a white and black checkered pattern on the shoulders, riding a red and silver Triumph motorcycle on a road. The background is a blurred green landscape under a cloudy sky.

The Triumph Triple Connection Range

The Triumph Triple Connection clothing range is designed and made to the standards as our motorcycles. Individuality, style, function and quality combine to offer you the choice of the world's finest motorcycle clothing, leisure equipment and personal accessories.

At Triumph we want every ride to be safe and enjoyable. Be sure to ride safely, defensively and within the limits of the law and your abilities. Take a riding skills course. Always wear an approved helmet, eye protection and appropriate protective clothing and insist that any passenger does the same. Never ride while under the influence of alcohol or drugs. Study your owner's manual and always inspect your Triumph before riding.

Warning

1. Owners should be aware that only approved parts, accessories and conversions for any Triumph motorcycle are fitted to the motorcycle by an authorised Triumph dealer.

Triumph does not accept any liability whatsoever for defects caused by the fitting of non-approved parts, accessories or conversions or the fitting of any approved parts, accessories or conversions by non-approved personnel.

In particular, it is extremely hazardous to fit or replace parts or accessories whose fitting requires the dismantling of, or addition to, either the electrical or fuel systems and any such modification could cause a safety hazard.

2. Only Triumph approved parts should be used to service, repair or convert Triumph motorcycles. To ensure that Triumph approved parts are used, always order parts, accessories and conversions from an authorised dealer. The fitting of non-approved parts, accessories or conversions may adversely affect the handling, stability or other aspects of the motorcycle operation which may result in an accident causing serious injury or death.

3. Always have Triumph approved parts, accessories and conversions fitted by an authorised Triumph dealer. The fitting of part, accessories and conversions by a dealer who is not an authorised Triumph dealer may affect the handling, stability or other aspects of the motorcycle operation which may result in an accident causing serious injury or death.

4. Always have Triumph approved parts, accessories and conversions fitted by a trained technician. To ensure that a trained technician is used, have an authorised Triumph dealer fit the parts. The fitting of parts, accessories and conversions by personnel other than a trained technician at an authorised Triumph dealer may affect the handling, stability or other aspects of the motorcycle operation which may result in an accident causing serious injury or death.

5. A number of accessories are supplied in kit form and require assembly prior to fitting. Please consult your dealer for full details.
