

SWING to the BIG

Get the performance, width, and fun!

Whatever you get, you'll see, and your friends will notice how you look. You have found an ideal partner to make a Triumph. The full-throttle, full-gearbox 650cc Triumph makes motorcycling alive — here, there, and every day. You can see yourself riding. You can see yourself flying — you're a Triumph.

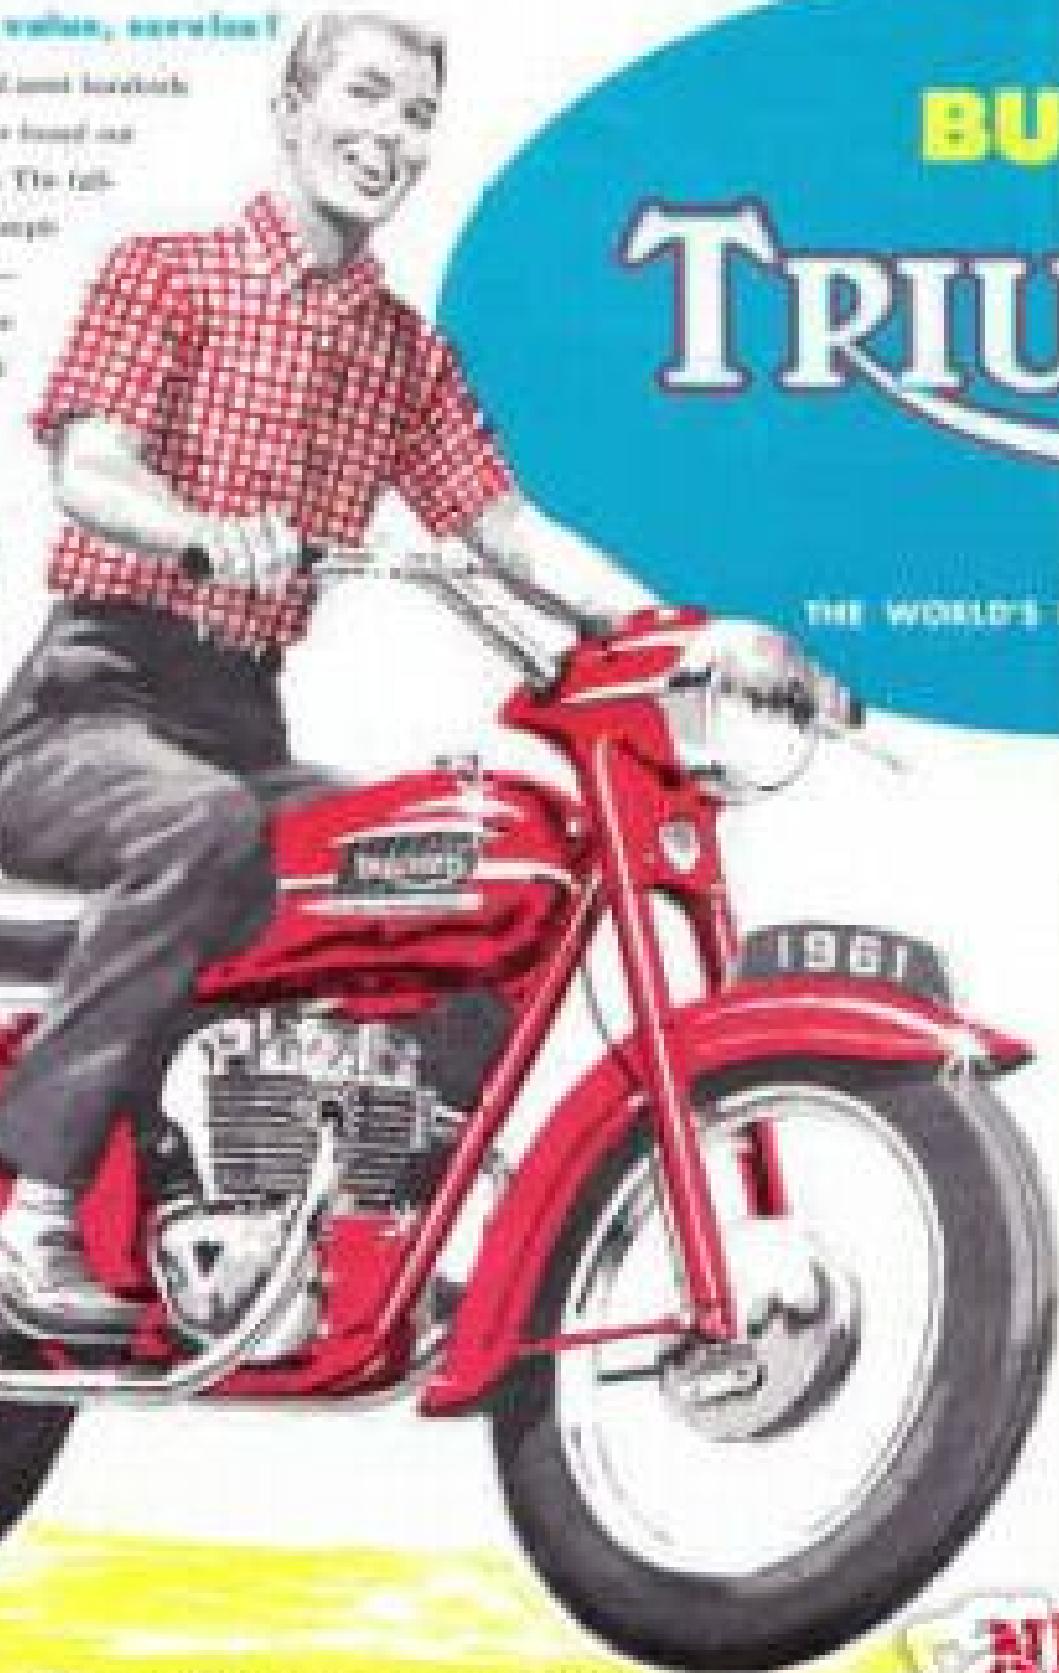

650cc SPEED TWIN

WITH TOURING

£695 inc. £500 down

The most powerful and well balanced motorcycle in the world. Full leather upholstery, floor mounted gear and clutch levers, integrated disc brakes, plus optional accessories. Many more.

650cc, liquid cooled, 650cc, 4 valves, 48bhp at 6,500 rpm

Triumph is one of the registered trade marks of the British Motor Corporation Ltd., Birmingham.
