Part Ref: A9500512

## Waterproof Pannier Inner Bags

- Bespoke waterproof roll top bags designed to suit Triumph Adventure Luggage
- Featuring reinforced carry handles and shoulder strap
- Full roll top sealing with nylon snap clips

Availability - In Stock

Part Ref: A9500510

## Waterproof Top Box Inner Bag

- Bespoke waterproof roll top bag designed to suit Triumph Adventure Luggage
- Featuring reinforced carry handles and shoulder strap
- Full roll top sealing with nylon snap clips

Availability - In Stock

# Tiger Explorer - Accessories Overview

Part Ref: T2303313

## High Touring Screen

- Injection moulded, polycarbonate touring screen for optimum strength and optical clarity
- Designed to install directly onto the Tiger Explorer adjustable mounting mechanism
- 50mm Higher and 30mm Wider than OE Equipment
- WVTA Approved

Availability - February 2012

US Specific part: T2303319 Features scratch resistant Quantum Coating.

Part Ref: A9838007

## Headlight Protector

- Bespoke injection moulded Headlamp Guard
- Manufactured from polycarbonate for the ultimate in durability
- Supplied complete with quick release bayonet fixings for convenient removal
- For off road use only

Availability - In Stock

Suitable for Tiger Explorer and Tiger 800/XC models

Part Ref: A9600415

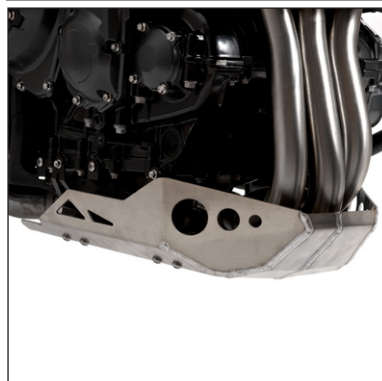

## Arrow Slip On Silencer (E Approved)

- Bespoke slip-on Silencer developed in conjunction with Arrow Special Parts
- Considerable 2.3KG reduction in weight (37%)
- Approximately 3PS Power Gain
- Features titanium wrap, carbon fibre end cap and stainless steel internals
- Supplied with specific tune download to guarantee optimum performance
- E Approved

Availability - February 2012

Part Ref: A9708229

## Alloy Bellypan

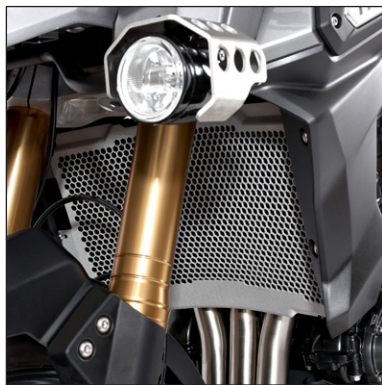

- Heavy gauge fabricated marine grade Aluminium Belly pan
- Designed to compliment the rugged styling of the Tiger Explorer
- Features laser cut sections to minimise weight
- Compliments Fog Lamp kit, A9838000
- Supplied complete with heavy duty mounting brackets & all required hardware
- Laser etched Explorer logo
- WVTA Approved

Availability - February 2012

# Tiger Explorer - Accessories Overview

Part Ref: A9708228

## Aluminium Radiator Guard

- Durable Aluminium Radiator Guard to offer protection from debris
- Triumph logo branding to front
- Designed to ensure no compromise to engine cooling

Availability - February 2012

Part Ref: A9838000

## Explorer Fog Lamp Kit

- Twin high power halogen 55W fog lamps
- Features rugged, laser cut alloy shrouds to protect the lamps from damage
- Mounted on a powder coated steel light bar, with illuminated push button switching
- Requires switch mounting kit, A9638086
- WVTA Approved

Availability - February 2012

Requires switch mounting kit, A9638086

Part Ref: A9638048

## Dual Temperature Heated Grip Kit

- Bespoke heated grip designed for use on Tiger Explorer
- New slim line heated grips appear identical to the OE parts
- Internal wiring for a neat installation
- Dual temperature push button control
- Requires switch mounting kit, A9638086
- WVTA Approved

Availability - February 2012

Requires switch mounting kit, A9638086

Part Ref: A9638086

## Switch Mounting Kit

- CNC machined replacement clutch lever bracket
- Facilitates the installation of Dual Temperature Heated Grip kit, A9638048 and High Power Fog Light Kit, A9838000
- Offered in anodised black finish
- Retail packed

Availability - February 2012

# Tiger Explorer - Accessories Overview

Part Ref: A9638087

## CNC Machined Brake Lever Bracket

- CNC machined replacement brake lever bracket
- Designed to compliment the switch mounting kit, A9638086
- Offered in anodised black finish
- Retail packed

Availability - February 2012

Part Ref: A9770038

## CNC Machined Footrests

- CNC machined from 7075 T6 Billet Aluminium
- Hard anodised gun metal grey finish
- Supplied complete with up rated return springs
- Retail packed

Availability - February 2012

Part Ref: A9708203

## Adventure Hand Guards

- High impact ABS Hand guards designed to offer protection to hands and controls
- Textured black finish with additional surface detailing
- Supplied with all relevant hardware
- Bespoke design for the Tiger Explorer
- WVTA Approved

Availability - February 2012

Part Ref: A9788001

## Engine Bars

- Durable fabricated steel engine bars
- Designed in conjunction with the motorcycle to yield in the event of a fall or drop offering protection to engine casings
- Finished in tough black powder coat
- Supplied complete with all mounting hardware
- WVTA Approved

Availability - February 2012

# Tiger Explorer - Accessories Overview

Part Ref: A9708194

## Heated Rider Seat

- Bespoke rider seat featuring integral "quick heat" element
- Dual thermostatically controlled heat settings for consistent temperature
- Dual premium fabrics and additional stitch detailing
- Triumph woven tag branding
- Supplied complete with all hardware, wiring harness and waterproof switch
- Simple plug-in installation
- Maintains OE height adjustment
- WVTA Approved

Availability - February 2012

Fabric matches Heated & Comfort Passenger Seats

Part Ref: A9708198

## Heated Passenger Seat

- Bespoke rider seat featuring integral "quick heat" element
- Dual thermostatically controlled heat settings for consistent temperature
- Dual premium fabrics and additional stitch detailing
- Triumph woven tag branding
- Supplied complete with all hardware, wiring harness and waterproof switch
- Simple plug-in installation

Part Ref: T2406539

## Rubber Tank Pad

- Bespoke moulded Rubber Tank Pad for use on Tiger Explorer
- Offers protection from scuffs and zip damage
- Self adhesive installation
- Subtle Tiger logo branding
- Shown installed with tank bag harness, A9510094. (Sold separately)
- Retail packed
- WVTa Approved

Availability - February 2012

Part Ref: A9828001

## CNC Machined GPS Bracket

- Robust, bespoke GPS mounting bracket, CNC machined from 6061 T6 Alloy
- Anodised black finish with laser etched branding
- Designed to accommodate Garmin Nuvi 660 & 220 navigation systems (May fit others)
- Shown installed with Garmin Nuvi 660 navigation (not included)
- Retail packed

Availability - February 2012

# Tiger Explorer - Accessories Overview

Part Ref: A9828005

## Auxiliary Power Socket

- Complete auxiliary power socket kit
- Mounts underneath passenger grab rail on LHS of motorcycle
- Can be used for convenient charging in conjunction with optimum adaptor, A9930011

Availability - In Stock

Part Ref: A9808089

## Triumph Alarm System

- The ultimate in motorcycle security, developed in conjunction with Datatool
- Thatcham Category 1 approved. (2 - 1 Upgrade if installed with OE immobiliser)
- Fully programmable; including siren tone, movement sensor, tilt sensor etc.
- Resin filled, waterproof construction
- Supplied with two waterproof alarm fobs

Availability - In Stock

SRA (French Market) version also available, A9808102

Part Ref: A9810005

## High Security U Lock

- High Security 320mm U Lock
- Features coated shackle and body to avoid damage when in use
- Can be stowed under seat using moulded features in battery tray
- Accreditations: SRA, Sold Secure Gold, ART, FPMC
- Made in the EU

Availability - In Stock

Part Ref: A9640057

## Tyre Pressure Monitoring System (ROW)

- State of the art tyre pressure sensing technology
- Displays current tyre pressures within the instrument display panel
- Warning light is illuminated if pressures drop below optimum level
- Supplied as a pair, complete with wheel rim warning stickers
- Dealer installation only, requires synchronisation with motorcycle ECM

Availability - February 2012

Japanese Market option - A9640056

# Tiger Explorer - Accessories Overview

Part Ref: A9930346

## Paint Protection Kit

- The ultimate in paint protection materials from industry leaders 3M
- Bespoke kit designed to offer additional protection to high wear areas
- Simple to fit kit contains pre- cut panels for fuel tank and mudguard
- Supplied complete with application tool and solution concentrate

Availability - February 2012

Part Ref: A9930215

## Accessory Tool Kit

- Compact Motorcycle Tool Kit
- Includes Adjustable spanner, 10 & 12mm Combination wrenches, LED Torch 4, 5 & 6mm Hex keys, Tyre pressure gauge, 6 in 1 screwdriver and a selection of other useful items
